MATTHEW 5:14

UNDERSTANDING THE LAWS OF SUCCESS (PART 1)

SUNDAY 14TH APRIL 2019

Ye are the light of the world. A city that is set on an hill cannot be hid.

Matthew 5:14 (King James Version)

By redemption, our lineage has been changed. We now belong to God's family and are entitled to bear His name. The name we bear determines the authority we carry: the day we got born again by accepting Jesus Christ as our personal Lord and Saviour, everything about us changed. God became our Father and we His children, we also became citizens of heaven (2 Corinthians 5:17; Ephesians 2:19).

Our new lineage in Jesus Christ means we are no longer under any form of condemnation because God has redeemed us from all condemnation (Galatians 3:13-14). All the generational curses and enchantments that are linked with our biological lineage are no longer associated with us because we are new creatures (Numbers 23:23). When God created man, He created him to have dominion so nothing can challenge his authority. However, man fell and he refused to take charge. Man lost his place and position when he allowed Eve to give him the forbidden fruit. Jesus came to restore man back to his rightful place of dominion (Matthew 5:14; 1 John 3:8; Romans 8:29). We have an enviable destiny that the devil desires to take away (John 10:10; Isaiah 60:2). Not only is our destiny enviable, it is also royal (Revelation 5:10). We must be rest assured that our destiny is not tied to our curriculum vitae, but to our Maker. As such, our destiny is designed for success (Matthew 5:14-16).

God has wired us for success; we are not designed to fail but to succeed. We are all created unique and before we were born, God saw a problem that required a solution so He created us to solve it. We are the answer to questions because we are solution providers. Success is not accidental; there are conscious and deliberate steps we must take to achieve success (Matthew 5:16). One of the laws of success is the law of vision.

THE LAW OF VISION

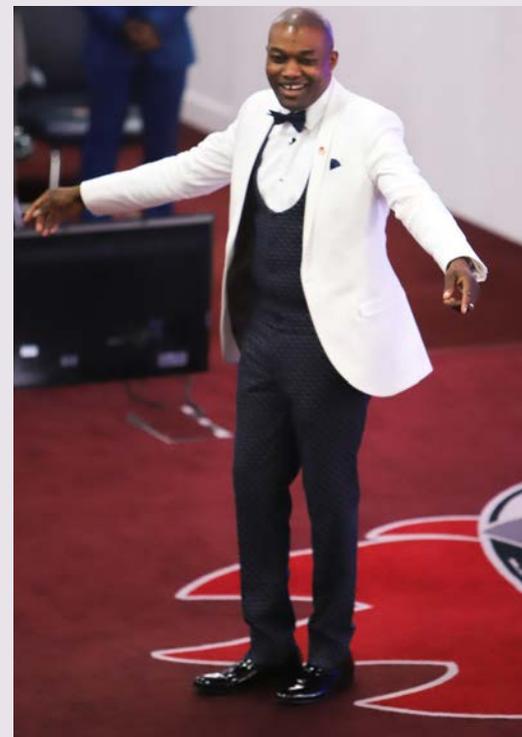

Vision is the spiritual access to our glorious destiny. It is the unfolding of God's plan as it relates to us (Jeremiah 29:11; Isaiah 14:24). There are things we must see and understand in order to move forward. Until we see and understand the vision, we cannot take the steps to actualise God's plans for our lives (Genesis 13:15). Walking in the vision of God makes us unstoppable (Isaiah 48:21).

When God walks with us, everything works in our favour (Luke 22:35; Psalms 23:1-4). Mankind cannot create a vision because what we create is called ambition: God is the one who creates a vision (Romans 8:30). As such, those who live outside of God's purpose will struggle, while those whom walk in line with God's vision attain good success (Joshua 1:8).

Every child of God is a child of destiny, that is, God has a well-defined purpose for our adventure in life (Romans 8:28-30; Ephesians 1:3-6). Living outside God's purpose, is what makes a 'scape goat' in the race of life (Hebrews 12:2; Proverbs 29:18).

HOW TO ACCESS GOD'S PLAN?

1. **Make a demand for it on the altar of prayer** - Pray for God's plan to be revealed (Jeremiah 33:3; Proverbs 29:18; Matthew 7:8; Habakkuk 2:1-3; Proverbs 14:12). Ask God about how to do the right thing. We must write the vision down and make it plain, so that we can run with it.

GOD'S COVENANT FOR THE FAMILY

Our God instituted the family and it has always been a part of His plan; after creating Adam, God created Eve (Genesis 2:18). As such, we should not run our family based on our culture but based on the heavenly culture. Man is ordained to be the sole provider for the family for a man that does not provide for his family is worse than an infidel (1 Timothy 5:8). As Christians, there must be no place for keeping malice or hurt; we must learn to forgive quickly.

We must recognize that:

- By redemption, we now belong to a new lineage, the household of God (2 Corinthians 5:17; Ephesians 2:19)
- Every generational curse, spell and enchantment associated with our biological lineage has no more hold on our lives (Galatians 3:13-14; Galatians 3:29; Numbers 23:23).
- God is committed to the redemption of our household as we saw in the case of Cornelius and the Jailer (Acts 10:24; Acts 10:44; Acts 2:37-38; Acts 16:30-31).

HOW TO SECURE THE RESCUE OF OUR FAMILY?

1. **Plead for mercy** – We plead for mercy for every error or mistake we may have made. We also ask for mercy for when we served other gods, chased money or asked help from sources that are satanic (Psalm 16:4).

2. **Enter into a covenant to serve God** – When we enter into a covenant to serve God, we put an end to generational curses that torment our family. Choosing to serve God enables us to enjoy our days in prosperity and pleasure (Job 36:11; 2 Chronicles 15:12-15; Joshua 24:15; Exodus 4:22-23).

3. **Stay in love with God** – Our love for God prompts Him to love our family in return. God's love for our family is demonstrated via His protection and preservation of our family (Romans 8:28).

Applying the laws of success to arrive at the top can only be achieved when we acknowledge Jesus Christ as our personal Lord and Saviour. To begin the journey towards becoming a citizen of heaven with a glorious destiny, please say the prayer of salvation in this leaflet with sincerity. God bless you.

STRAIGHT FROM THE PULPIT

“What makes a person great is what lies within them, not what lies on the outside: discover your unique gift today for it will announce your destiny”

-Pastor Nathaniel Odin

Prayer of SALVATION

Search your heart in sincerity, and check if you really know God. If you would like to know God or renew your relationship with Him, sincerely say the prayer of faith below:

“Lord Jesus, I come to you . I am a sinner but you died for me. Jesus come into my life, be my Lord and Saviour, and save me from a life of sin. Now I know that I am born again”.

Congratulations! You are now born again. We would welcome your testimonies on how our messages or publications have impacted your life. You are blessed!

2. **Discover our unique gift** - To discover God's plan for our lives, we need to discover our unique gift and pursue it with passion (Proverbs 18:16). David's gift created room for him in Saul's household. There is a throne prepared for everyone and our talent will take us there; our gift can turn things around in our favour. Discover your unique giftings, it may be a pointer to your mission on earth (Matthew 25:14-30; Proverbs 18:16; 1 Samuel 16:14-23)

3. **Identify the passion that burns in your heart**- it may be a pointer to the problem you are created to solve (Judges 6:1-14; Nehemiah 2:1-8; Nehemiah 5:1-14; Philippians 2:13). We need to identify what we are passionate about and use it as a pointer to the problems, which we are supposed to solve: when there is passion, there is vision (Exodus 3:10; Judges 6:14; Esther 4:16). We must know who we are and stop trying to fit into the vision of others.

4. **Through heavenly vision** - We need to hear from God through meditating on His Word and by heavenly vision (Exodus 3:7; Acts 26:19, Genesis 26:1; Genesis 26:12-14)

WHAT TO DO TO SEE GOD'S PLANS (VISION) FULFILLED

1. **Believe in the Vision** - When we have a vision, we run with, stay focused and stay on our lane (Luke 1:45; Habakkuk 2:2)

2. **Engage in spiritual warfare** - Every door that God opens also comes with a battle for us to overcome. We must never be afraid, run or resist it. Instead, we tackle our battles via spiritual warfare (1 Timothy 1:18).

3. **Stay focused in our pursuit** - We must stay focused and not pursue many things at the same time (Matthew 6:22). We must stay on our lane because there is an area where we have been called that establishes us as we fulfil our destiny (Philippians 2:12-22).

Testimonies: The Wonders of God

ALL ROUND BLESSING – KEMI

I thank God for seeing me through the delivery room while I gave birth to a baby boy. I also finished my Masters Degree program and finally I thank God for seeing me through an immigration challenge.

IMMIGRATION BREAKTHROUGH AND ALL ROUND BLESSINGS – VICTOR A.

Among all the great things God did for me last year, two key events stand out. Firstly, God broke the immigration challenge in my life. My immigration status was delayed and during this delay, the Human Resource department kept writing to me about my immigration status, but God saw me through. Last year, God released the immigration papers. Secondly, my wife dreamt of us moving into a new house when my son becomes 10 years of age. The dream became a reality just as my son reached his tenth birthday and we have moved into our new house. Finally, I got a new job to the glory of God.

INSTANT HEALING - AYO O.

I had pains in my joints, knees and chest since January 2019. I came to the healing service here in church and in the course of the service, I suddenly realised that the pain was gone. Praise the Lord!

DIVINE HEALING - BAYATE

I had pain in my left eye before coming to the church. During the course of the service I felt some sensation in my eye and suddenly the heaviness and pain was gone.

20 YEARS PAIN INSTANTLY HEALED - OLU

I suffered from pains in my ankle for over 20 years after spraining it. During the last healing service in church, God healed me and all the pains are gone. Glory be to God!

IMMIGRATION BREAKTHROUGH – PATRICIA

I was given my indefinite leave to remain in the United Kingdom.

MIRACLE JOB VIA KINGDOM ADVANCEMENT PRAYERS - UDOH

I work for an investment and fund management firm and have been at my current company for five and half years. At the turn of this year, I believed God for a breakthrough with the desire to leave the organization by the 31st March 2019. During the 21-days fasting and prayer in January, I engaged in Kingdom advancement prayers using Galatians 6:7 as my scripture reference. I prayed for people seeking miracle jobs, career breakthrough or divine favour. Two weeks ago, a former colleague of mine suggested a director role opening at a company she knew. At the Noiseless Breakthrough service last week, the pastor declared a role would be created for someone this week and that the Lord would destroy all oppositions. On Monday, I had a chat with the company's Chief Executive Officer and I was invited for an interview. What was meant to be an hour-long interview turned into two hours of conversation. I was offered the position the same day with a thirty percent increase on my previous salary as well as a higher position.
