THEME OF THE MONTH: WISDOM FROM ABOVE ENTHRONES – GEN. 41:38-44

GATEWAYS TO A WORLD OF FINANCIAL *Fortune*

Acquaint now thyself with him, and be at peace: thereby good shall come unto thee. Receive, I pray thee, the law from his mouth, and lay up his words in thine heart. If thou return to the Almighty, thou shalt be built up, thou shalt put away iniquity far from thy tabernacles. Then shalt thou lay up gold as dust, and the [gold] of Ophir as the stones of the brooks. Yea, the Almighty shall be thy defence, and thou shalt have plenty of silver. **Job 22:21-25 (King James Version)**

All God's children are entitled to supernatural wealth. Those whom God has chosen for His own are empowered for wealth by the light of His word (Isaiah 60:1; Deuteronomy 8:18). Supernatural wealth is part of our inheritance in Christ Jesus (2 Corinthians 9:8). God's word is the conveyor of His blessings and He desires that all His children enjoy sufficiency in all things (Genesis 12:1-3; 2 Corinthians 5:8; 2 Corinthians 9:11). Flowing in the realms of financial fortune means having all our needs met; this can only be done by God (Psalm 24:1; Haggai 2:8-9). No matter how high we rise in life, we must never forget that our success was made possible by the hand of God alone.

SUPERNATURAL WEALTH IS ENTRUSTED:

How much wealth we are entrusted with is dependent on how well we can be trusted to distribute and share such wealth (Psalm 112:1-10). We must remember to give to the less

privileged and the needy. As born again believers, we are destined to get wealth to fulfil God's covenant.

WHY SHOULD GOD BLESS US?

1. To establish His covenant – God blesses us to uphold His promises and covenants that He swore to our spiritual forefathers (Psalm 89:34; 2 Timothy 2:13). God is the one who opens doors that no man can shut; He is too faithful to fail (Deuteronomy 8:18).

2. To rescue us from shame and reproach – God delights in our prosperity; He has a glorious and enviable destiny for every believer. We must stop borrowing or living above our means because the borrower is always under the rulership of the lender (Proverbs 22:7). God's plan for us does not include shame or reproach. As God's children, we ought to lend to others and never borrow (Jeremiah 29:11; Joel 2:20-26; Psalm 1:3; 3 John 1:2).

3. To promote His Kingdom on earth – Having a heart to promote

God's Kingdom makes us the right vessels for supernatural fortune (Matthew 6:33). If the desire to promote His kingdom is in our heart, He will provide the resources to bless us and promote His Kingdom (Zechariah 1:17; Matthew 24:14). Our blessing lies in our giving or having a generous lifestyle. Every time we give, we are actually helping ourselves (Philippians 4:15-19; 2 Corinthians 9:6).

4. To become a blessing to mankind – God desires that we be vessels or channels of blessings to humanity (Genesis 22:17-18; 1 Timothy 6:17-18). We are to celebrate those who are prospering and whoever God blesses. We must never condemn the less privileged, rather we must be ready and willing to help meet their needs. We should be aware of the plight of those in need: stagnant water stinks but flowing water brings refreshing. Those who gather and hoard it do not prosper. As believers, we release what we have and make way for more and bigger blessings.

5. God blesses us so we can enjoy an abundant life – God’s welfare package for His children is comprehensive. His plan is that none of His children suffer (Psalm 35:27; 2 Corinthians 9:6-8). We are God’s children therefore, we are entitled to live and enjoy an abundant life.

HOW DOES GOD BLESS US?

1. By divine guidance - God blesses us by sending down rain of ideas. An idea from God can change our story forever. As such, we need to be constantly sensitive to the inspirations from the Holy Spirit (Isaiah 30:21-23).

2. By the works of our hands - God will bless us primarily through the works of our hands. Therefore, we must ensure that we are busy doing something at all times (Psalm 1:1-3; Deuteronomy 28:12).

3. By divine direction – We may have the ideas but we require knowledge and wisdom on how, when and where to prosper (Isaiah 48:17-21; Genesis 12:1-3).

4. By tireless commitment to kingdom promotion - God always prioritizes anyone that places Him first. We must never abandon God’s guidance otherwise the enemy has rights over us (Haggai 1:3-15).

5. By divine favour - Favour eradicates stress. It covers

our imperfections and makes us the preferred (Psalm 45:12; Psalm 30: 5-7). We must learn to be patient because God knows what is best for us (Romans 8:28).

WHEN DOES GOD BLESS US?

1. God’s blesses us now but our rewards will come in due season - We must remain dedicated in our service to God because He is a rewarder of those who diligently seek Him (Hebrews 11:6; Galatians 6:9).

2. God blesses us in phases (Luke 16:10) - What we do with the first blessing we receive determines the rate of flow of further blessings. God dislikes waste, so as we take care of what God entrusts in our care, God will continue to give more to us (Exodus 23:30; Mark 4:27-28).

As long as we remain committed to God, He will keep advancing us. We must learn to appreciate Him, celebrate Him, give Him thanks and praise. Only God’s children are destined to experience supernatural fortune. To become one of God’s children, please say the prayer of salvation in this leaflet with sincerity. God bless you.

TESTIMONIES: THE WONDERS OF GOD

FINANCIAL BLESSINGS - MRS A.

I would like to thank God for crowning the month of October 2018 with a surprise financial blessing for my family. Previously, we had believed the prophetic declarations and blessings pertaining to financial breakthroughs coming from the altar. On the 30th of October 2018, my husband and I got home and received a letter from the Her Majesty's Revenue and Customs stating that we were owed some money and it would be refunded to us immediately. The sum amounted to several thousands of pounds. We thank God for confirming the word of His servant in our lives and we give Him all the glory.

SCHOLARSHIP GRANTED FOR STUDY AT CAMBRIDGE UNIVERSITY - TOSIN A.

I have come to thank the covenant keeping God of Winners Chapel International for His faithfulness in my family. My son recently turned twenty-one years old. My husband and I participated in Operation Andrew (Church outreach) instead of going to celebrate with my son at the university. We asked the Lord to bless our son for our obedience. On the 18th of May, our son represented Cambridge University at a sports competition against Oxford University and won the 200m race. Additionally, he applied for a scholarship to undertake his Master's degree in Computer Science at Cambridge University and God granted him full funding. Praise the Lord!

DIVINE MERCY – JOYCE E.

Three years ago, I started my Nursing training. The program was meant to last for two years but due to several challenges, it extended to three years. In 2018, I made a mistake which resulted to a disciplinary hearing with a professional panel. This nearly impacted my continuation of the training. My family members and close friends agreed with me in prayers and the mercy of God prevailed. On two occasions, I was granted additional time to continue my training. To the glory of God, I have now completed the course and received my professional identification number.

DIVINE TURNAROUNDS, HEALTH AND FAMILY RESTORATION – ADEMOLA A.

Twenty-eight years ago, the enemy attacked my wife's health when my son was just two months old. Consequently, I was responsible for ninety percent of the parenting of my kids and had to quit my job. However, my life

turned around ever since I joined this church. My wife's health has been restored. I have launched six companies, which are all doing well, and my daughter just turned 18 years old. I hereby return the glory to God.

ALL ROUND BLESSINGS – SHEILA.

I have come to return all the honour, glory and praise to God. Last year, I celebrated my diamond jubilee but was not able to testify. In the first year of my diamond jubilee season, I have come to testify. Scriptures say in maturity we shall be fat and flourishing; I have indeed been flourishing to the glory of God. God has increased and blessed me on every side. In my ministry and work I have been wonderfully surprised. I have been appointed as a teacher at a leading institution at Kingston University. I also had favour with my Director at work to be part of a new project. To God alone be all the glory and praise.

DIVINE HEALING FROM LEUKEMIA - BIMPE F.

In October 2016, my daughter had a high temperature. Although I gave her some medication the temperature did not subside. I decided to take her to Accident and Emergency. Following a series of tests, the doctor informed us that she had Leukaemia. I immediately rejected the report. The doctor informed us that she would be referred to Great Ormond Street hospital to commence chemotherapy immediately. We agreed to the doctor's recommendation and decided not to disclose the diagnosis to anyone except my sister-in-law and her husband who were both members of this church; we were not members at the time. My sister-in-law explained that the victory could only be won via the word of God. She gave us books on healing and we committed to connecting to the covenant hour of prayer (daily prayer session) at Canaan Land, Nigeria (Winners Chapel International Headquarters). We started attending the church and put into practice every word that came from the altar. We also constantly played Bishop Oyedepo's messages both at home and at the hospital, applied all the Kingdom mysteries and daily declared the word of God. While her mates were in school studying, my daughter spent Year 4 in and out of hospital and consequently she could not prepare for her 11 plus exams. Her health improved slightly in Year 5 and she took the exams. During the period, the pastors stood with us in praise and prayer.

In 2017, we travelled to Canaan Land where we met with Bishop Oyedepo. He prayed over my daughter and declared that she did not have cancer and it couldn't be traced to her. We came back to the UK and our hospital visits ended. Last week, precisely two years and seven months after the negative cancer report, my daughter was declared cancer free. Praise God!

DIVINE TURNAROUND – HAPPY O.

A while back, I met with the pastor who asked me about my business. I informed him that one of my properties had been empty for approximately one year. He declared to me that emptiness was not allowed in Winners Chapel International. I purposed in my heart to pray about it. Within a week, I got a call from the estate agent with a prospective tenant seeking a long lease. The lease was signed and the tenant has moved in. Secondly, I got a call that my mum had a nerve trapped in her spinal cord. She was wheelchair bound and the doctor recommended surgery. I informed my nephew about the situation. I also instructed him to take her to the next healing school at the local church. Afterwards, I received a report that she has regained her mobility without any assistance. I hereby return all the glory to God.

LOST MONEY FOUND AFTER SIX MONTHS – LEKAN S.

Last October, I lost some travel money while on our way to a family holiday in Greece. Immediately we went past security at Gatwick airport, I realised that I had lost the foreign exchange. I made alternative arrangements for funds while in Greece but the exchange rates were nearly double what we received while in England. This severely impacted the quality of our holiday. Nonetheless, I believed in my heart that God averted a danger and there would be no loss. I believed the money would be found because we were givers and tithers. In April this year, I travelled through the same airport with my wife on our way to a holiday. I was inspired by the Holy Spirit to ask for our lost envelope at a particular shop. I obeyed and after explaining to the shop manager, he opened their safe and gave me my envelope. The foreign exchange was in it. Everyone was amazed by this miracle; we found our lost money intact after six months. Furthermore, the shop manager testified that indeed my God is the true God. Praise the Lord!
