A PUBLICATION OF WINNERS' CHAPEL INTERNATIONAL, DARTFORD | 28 JULY 2019

THEME OF THE MONTH: I AM REDEEMED A WONDER TO MY WORLD - ISAIAH 8:18

## Unlocking the SUPERNATURAL Part 3

Behold, I and the children whom the Lord hath given me are for signs and for wonders in Israel from the Lord of hosts, which dwelleth in Zion. **Isaiah 8:18 (King James Version)**

**A**LL God's children have the potential to manifest in the realm of the supernatural. However, the knowledge of truth is the principal key to unlocking the supernatural. Once we discover the knowledge of the truth in God's word, victory is guaranteed for every child of God (Matthew 16:18-19; Luke 11:52; Isaiah 60:1). The knowledge of God's word is the master key to silence every opposition of the devil (2 Peter 1:3; John 10:10; John 8:32). This knowledge empowers us to receive all things, including our redemptive rights in Christ (Acts 20:32). Without the key of the knowledge of the truth, life can be frustrating. Although Jesus was conceived by the Holy Ghost and ordained a sign to His world, He could not perform signs and wonders until He engaged the keys of the knowledge of truth (Luke 4:1-37; Daniel 11:32). Our knowledge of the truth must be clearly understood (Hosea 4:6; John 1:5). Once we know who we are in Christ, we can lay hands on the sick and they will be healed (Mark 16:17-18).

### KEYS TO UNLOCKING THE SUPERNATURAL

In parts one and two of Unlocking the Supernatural, we established four keys: The Key of the word of God, The Key of Faith, The key of the Holy Ghost and The key of the spoken word of God. Here are two additional keys needed by every believer.

#### 1. THE KEY OF THE NAME OF JESUS:

Every name has a meaning and Jesus means Saviour of mankind. The name of Jesus is prophetic and filled with wonders (Isaiah 9:6; Matthew 1:21). The name was given for our authority and as a blessing. We are to receive strength, experience signs and wonders every time we call on His name (Acts 3:6-8,16). The name of Jesus is the only name that has the power to effect changes in this world and beyond (Philippians 2:10-11). This is the reason why the enemy will go to any length to deter us from using the name of Jesus. The name of Jesus is the believer's secret weapon: It is irresistible and has no limitations (Acts 4:24-31; Songs of

Solomon

1:3; Mark 16:17; Acts 2:21). Sickness, stagnation, satanic powers and demonic forces all bow to the name of Jesus. The name of Jesus is self-anointed and protocols are broken by the name. Jesus' name also brings healing and deliverance (Proverbs 18:10; Mark 10:47-49). However, for this name to work, some conditions must be met:

- 1) We must be born-again** – The name of Jesus only answers to those who have been redeemed. We need to have a relationship with God. As such, we must avoid grudges, unforgiveness and focus only on God. (Acts 4:12; Acts 19:5, 11-20; Psalm 16:4)
- 2) Call the name of Jesus in faith** (Acts 3:16; Hebrews 11:6).

#### 2. THE KEY OF TESTIMONIES:

Testimonies are pointers to our heritage in Christ (Psalm 119:111). Our God is the same yesterday, today and forever which implies that He can replicate similar acts in our lives regardless of the situation around us.

Testimonies are prophetic in nature so every time we hear a testimony, we should connect to it (Revelations 19:10). Likewise, it is crucial that we share our testimonies. We must celebrate every act of God in our lives because our testament is also a seed that stirs others to Christ (Matthew 9:22; Matthew 14:35-36; Hebrew 13:8). We must remain grateful to God as we document the testimonies of others either by taking notes or in our heart. To experience our miracle from someone's testimony, we focus on what they did or the steps they took to get what they desired. The supernatural answers to testimonies (1 Samuel 17:24-50; Isaiah 8:16-20). As such, we must boldly declare our testimonies for in it, lies our victory (Psalm 81:10; Revelations 12:11).

### **ANOINTING FOR THE SUPERNATURAL**

Besides the keys to unlocking the supernatural, we all need to be anointed for supernatural exploits.

### **WHAT IS IN THE ANOINTING OIL?**

1. The Spirit of God that destroys yokes (1 Samuel 16:13; Isaiah 10:27 Psalm 89:20-24).
2. The healing power of God (Mark 6:13; James 5:14-15).
3. The breakthrough power of God (Isaiah 61:7; Luke 4:14,18)
4. The preservation power of God (Psalm 105:14-15).
5. The miracle working power of God (Luke 9:1-3; Matthew 10:1; Mark 6:13)

Every believer who has been anointed is a candidate for operating in the supernatural. However, walking in the supernatural requires that we must first be born again. If you would like to begin your covenant walk with God and operate in the supernatural, kindly say the prayer of salvation in this leaflet with sincerity. God bless you.

## **Prayer of Salvation**

Prayer of Salvation If you would like to know God or renew your relationship with Him, sincerely say the prayer of faith below:

*“Lord Jesus, I come to you today, I know that I am a sinner but you died for me and on the third day you rose again. Jesus come into my life, be my Lord and Saviour. Take control over me from this day forward. Thank you for saving me from a life of sin. in Jesus name. Amen.*

Congratulations! You are now born again. We would welcome your testimonies on how our messages or publications have impacted your life. You are blessed!

## THE WONDERS OF GOD

### **DIVINE HEALING - PAUL E.**

In 2016, I began to experience kidney failure. I discovered that my meals took no less than nine hours to digest. Consequently, I lost about 20kg of weight and became a shadow of myself. In 2019, the situation worsened as my meals took about 14 to 15 hours to digest, thus, I could only eat once daily. In addition, I had swollen legs, headaches, runny stool and gassy burps, which smelt unpleasant. I avoided people and my family relocated. Based on the instructions of the Holy Spirit, I visited Canaan Land (Headquarters of Winners Chapel in Ogun state, Nigeria) in April. I partook of the 'Operation Pray Through' rally. I prayed 10 hours daily: six at night and four during the day. Suddenly, the headaches and swollen legs disappeared. In addition, I can eat three times a day. Praise the Lord!

### **MIRACLE HEALING - JOSEPHINE B.**

Two weeks ago, my son complained of being unwell after his return from a trip. I took him to the GP and he was diagnosed of low heart rate. He was referred to the hospital for an ECG (electrocardiogram) and further evaluations. I prayed to God and reminded Him of His promises. I stood my ground as a born again believer who loves the Lord. I also declared that no evil shall fall upon my children. To the glory of God, his results were clear: everything was fine. In addition, I give God the glory for the supernatural wisdom upon my children because they received excellent reports from school.

### **NO MORE PAIN - DRAYTA O.**

Six years ago, my left foot was crushed in a motor accident. For three months, I was unable to walk. I applied the anointing oil on my leg and to the glory of God; I can now walk. The skin graft operation that I was initially scheduled for was deemed no longer necessary. However, my healing was not complete as I was unable to wear heels without feeling pains. Yesterday, I decided I had had enough; no pain must linger on my body since Christ has paid the price for my pains. I wore heels yesterday and experienced no pain. I decide to take it a step higher and increased the inches today. I have been on my feet in church since the first service and there has been no pain whatsoever. Praise to the Lord!

### **DIVINE FAVOUR FOR CAREER ELEVATION - DIANA.**

I work as a career and employment trainer. My last project ended in March. Towards the end of the project, the options I had were to either apply for a similar role internally or, to be made redundant. At a point I was left with the latter, but I believed God for a positive outcome, as 2019 is our year of dominion. I held unto God's word and His promises as I built up my faith. A few days before the end of the project, I learnt I would be transferred to a new company to work on a similar project. However, this was an all round elevation as the role had better remuneration and a better working environment. God also blessed me with divine ideas to share within my team. I am so blessed to work in such a rewarding role. Glory be to God!

### **IMMIGRATION BREAKTHROUGH - WISDOM D.**

I have had a long-standing immigration challenge and was scheduled for deportation to Nigeria on the 23rd of May 2015. I did not want to go to Nigeria, as I knew no one there and desperately sought the help of God. My deportation was delayed as I had a court case on the 25th of May. This hearing was pivotal, as it would determine my fate to remain in United Kingdom. I decided to attend church on that day rather than go to court, as I was desperate. I realised that there was nothing to lose, as God was my only hope. To the glory of God, I was granted my Leave to Remain visa in the UK. Praise God.

### **DIVINE FAVOUR - KELVIN O.**

Last month, my father in law gifted my wife and I a plot of land in Nigeria worth millions of Naira. I was made aware of this through a phone call from Nigeria after the Covenant Day of Favour (prophetic church service). Secondly, I came into the United Kingdom in 2009 for my Masters in Business Administration. After my studies, I was given a Post-study work visa, which ended in 2014. I applied for my family to remain in the United Kingdom but was rejected. I met with Pastor for prayers. He declared that God would favour me and my service will speak for me. He also cursed every delay in the name of Jesus. Last Monday, my family's settlement was granted.

### **DIVINE PROTECTION AND FAVOUR FOR BUSINESS GROWTH - BUKKY O.**

In 2017, I started a new business. I desired to change location to a more prominent place but the rent was about eight times higher than the current location. I was unfazed and enjoyed God's favour as I was able to raise the money (deposit and rent) a day before it was due. I have now moved into my desired location and the business has grown exponentially. Secondly, the Lord protected me from a potential plane crash. Last Wednesday, on my return from a business trip, the plane's system suddenly shut down while the plane was landing. This caused the plane to touch the ground but went back up into the air. I prayed and within 30 minutes the plane landed safely. Praise the Lord!

### **ALL ROUND BREAKTHROUGHS - JULIET E.**

On the 9th of July, I received a call from my son's school that he had suffered a fall. Even though it was serious, I thank God for preserving his life. Secondly, on the 16th of June, I stood in the gap for two of my daughters who desired the fruit of the womb. Pastor prayer for conception during the moms in waiting prayer and teach session. After the service, I sent a message to them and prophesied that they were pregnant. Last week, both of them called me confirming their pregnancy. Finally, I received a miracle job that I did not apply for.

### **DIVINE HEALING AND ACADEMIC SUCCESS - JENNIFER M.**

I experienced pain in my pelvic area for the past three to four months. Last Sunday, I tuned into Canaan Land (Winners Chapel International Headquarters, Otta, Nigeria) Service online. Bishop David Oyedepo said we would not leave the service without our healing. Miraculously I received my healing and the pain has since been gone even though I was not physically present at the service. Secondly, God gave me a career breakthrough. Whilst in Nigeria, I attended University for eight years without graduating. To the glory of God, I have now completed my Bachelors, Masters and PhD degrees in the United Kingdom.
