Testimonies

1. **Miracle Job Via Soul Winning**

Last year I had a strong reason to resign from my job voluntarily as a result of some expectations from the organization that was beyond me. I believe the Lord will provide a new job within a short time, truly lots of international organizations approached me with each one declaring me fit for the position, and after each final meeting, I will cease hearing from them, this continued till this year, I started praying for career restoration, termination of stagnancy in my life and end to financial frustration. **Another opportunity to engage in kingdom advancement and soul winning then emerged during the Wonder-Double Agenda month, I consciously obey and went out for soul winning, the Lord gave me 6 souls in one day and they are all established already in the church and I followed up with many others;** suddenly, every siege and barrier were lifted and I got a call from one of the companies for a meeting the following day, I was offered a miracle job as the regional head for the organization in Abuja and all the north with all that goes with the position. I have resumed this month and I want to give glory to the Lord of lords for all He has done for me. It really pays to win souls and to serve God! **Samuel, R**

2. **Miracle House via Kingdom Advancement Endeavours!**

‘When Operation By-All-Means started, Bishop David Oyedepo admonished us to engage in soul winning and pray Kingdom advancement prayer. I keyed into it, and God gave me souls beyond my imagination. As part of my follow up strategy, I bought phones for the new converts without phones so as to be able to reach them and follow up. Many of them were jobless, but God used me to get jobs for them. Also, we set up a weekly zoom prayer meeting in addition to the physical one we did. Meanwhile, owning our own house in Lagos has always been our dream. It was almost becoming embarrassing having stayed in Lagos, in a rented apartment, for so many years. However, the week after Operation By-All-Means ended, the Lord gave us a brand new five-bedroom duplex without mortgage or bank loan. I return all the glory to God!’ — **Akande O.**
