## Testimonies

### 1. Seven Years Barrenness Terminated!

I came to Shiloh 2014 for the first time and sat at a very strategic position looking at my fathers in the faith, Bishop David Oyedepo and Bishop David Abioye. I saw no barrenness in them and in Canaanland so I cannot remain barren. I went back home after Shiloh and intensified my service.

When Wonder Double Phase one began, I complied with the instructions that the Bishop gave. He said we should not pray about our challenges but rather go after souls. I invested in souls; prayed for souls and had sleepless night praying for the Kingdom.

At the end of the *Wonder Double Phase one*, I was confirmed pregnant and the very last day of Wonder Double Phase three, I gave birth to this wonderful baby girl. We are here to return all the glory back to the God of Shiloh. **Mrs Igbinake Rukeuwe**

### 2. Marital Stagnation Destroyed!

‘For five years, I trusted God for marital settlement. However, I had been coming for Shiloh and attending the marital breakthrough class. But last year, my expectation was high. On the first day of Shiloh, I had an encounter. I saw Bishop David Oyedepo in a revelation and I told him what had been happening to me. He said, “Go, the spell is broken. Go and attract your husband in five minutes.” I then gave all I had for my Shiloh sacrifice. During the cross over service, the Bishop said that there shall be no carryover. He further said that before 12 p.m. our blessings would get to us. I stayed back and prayed while I trusted God for a miracle. Before 12 p.m. I met my husband, and we got gloriously married. I give God all the glory!’ – **Mary Omolola Oladele**
