TESTIMONIES

MEMBERS SHOULD BE ENCOURAGED TO SHARE THEIR TESTIMONY.

1. Miracle Job via Prophetic Declarations!

"I joined this Commission in 2013. Thereafter, I miraculously gained admission into the University via the mystery of praise. I completed my five-year programme in Quantity Survey last week as the best graduating student in my department. On October 7, 2018, Bishop David Oyedepo declared that some persons would receive two jobs that week and I aggressively shouted 'Amen!' Thereafter, I decided to camp with God for three days. On the second day, I received a call and was scheduled for an interview. On the third day, I received another call from a multinational company for an interview. I did both interviews and got the two jobs. I return all the glory to God!" --Timilehin Idowu

2. Stagnation Terminated via Kingdom Investment!

'I joined this Commission in 2003 and had never engaged in any Operation. However, it had been from one struggle to the other. When Bishop David Oyedepo flagged off Operation Come and See, for the first time in my life, something in me came alive. I remembered the Bishop emphasised the importance of swift obedience. So, I dived into the Operation with full force. I Prayed kingdom advancement prayers and supported the less privileged. I am based in the U.S so, I connected online for the Covenant Hour of Prayer and other services. I talked about Christ at work and engaged the social media. Meanwhile, for four months, I had been trying to pass my licensing exam. I had taken the exam five times and each time, I failed. So, I became frustrated. However, one week into the Operation, I decided to try again. I took the exams and passed gloriously without any error. Serving God puts us in command. I give God all the glory!' --Jane Kosisochi A.
